**BYLAWS
OF
BIG HILL PROPERTY OWNERS ASSOCIATION, INC.**

I.

NAME AND MEMBERSHIP

Name. The name of the Association shall be Big Hill Property Owners Association, Inc. (hereinafter sometimes referred to as the Association).

Membership. The members of the Association shall be the owners of lots in the subdivision known as Big Hill Acreage Homesteads (inclusive of the first phase consisting of lots numbered 1-99 and the second phase known as Big Hill Acreage Homesteads Phase II Green Hollow Subdivision consisting of lots numbered 100-135). Membership shall be appurtenant to and may not be separated from such ownership. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the owner's membership. No owner, whether one or more persons, shall have more than one membership per lot. In the event that the owner of a lot is more than one person or entity, votes and rights of use and enjoyment shall be as provided herein and in the Declaration of Restrictive Covenants to which each lot is subject. Pursuant to the Declaration of Restrictive Covenants of Big Hill Acreage Homesteads recorded in the office of the Register of Deeds for Transylvania County in Deed Book 433, page 487, and the Declaration of Restrictive Covenants of Big Hill Acreage Homesteads Phase II Green Hollow Subdivision recorded in the office of the Register of Deeds for Transylvania County in Document Book 350, page 328, Robin Hood, Inc. (sometimes hereinafter referred to as the "Declarant") organized and incorporated the Association and exercised its right to require that all owners of lots in the Development be members of the Association, to participate in the activities in the Association on a one vote per lot basis, to pay their pro rata share of the cost of incorporating, organizing and operating the Association and to pay all assessments thereafter levied by the Association. In addition, the Declarant has relinquished its rights with respect to control of the Association, including the right to appoint directors and the right to act as or appoint the Architectural Control Committee for the Development.

One Class of Membership. The Association shall have one class of membership, consisting of all owners of lots. The members shall be entitled on all issues to one vote for each lot in which they hold the interest required for membership by Section 1 hereof; however, there shall be only one vote per lot regardless of the number of persons or other entities owning an interest in a particular lot.

II.

APPLICABILITY AND DEFINITIONS

To the extent the words used in these Bylaws are used in the Declaration, they shall have the same meaning as set forth in the Declaration unless the context otherwise requires, however, the following definitions shall prevail:

Association. “Association” means and refers to the Association of all the owners of lots in the development known as Big Hill Acreage Homesteads, said Association being known as Big Hill Property Owners Association, Inc., its successors and assigns.

Board of Directors. “Board of Directors” or “Board” means the Board of Directors of Big Hill Property Owners Association, Inc.

Bylaws. “Bylaws” means the Bylaws of Big Hill Property Owners Association, Inc., and subsequent amendments thereto.

Common Area. “Common Elements”, “Common Area”, or “Common Areas and Facilities”, means and includes all real property and all tangible personal property now or hereafter owned or leased by the Association or otherwise held or maintained for the common use and enjoyment of the owners including all tangible personal property required for the maintenance and operation of other property owned, maintained or operated by the Association.

Common Expenses. “Common Expenses” means and includes (1) all expenses incident to the administration, maintenance, repair and replacement of the common elements, and any other areas included within the area of common responsibility, after excluding therefrom any and all expenses which are the responsibility of a lot owner; (2) all expenses determined by the Association to be common expenses which shall include the actual and estimated expenses of operating the Association, including any reasonable reserve, all as may be found to be necessary and appropriate by the Board pursuant to this Declaration, the Bylaws and the Articles of Incorporation of the Association; and (3) all sums lawfully assessed against each lot owner by the Association.

Declarant. “Declarant” means Robin Hood, Inc.

Declaration. “Declaration” means, collectively, the Declaration of Restrictive Covenants of Big Hill Acreage Homesteads recorded in the office of the Register of Deeds for Transylvania County in Deed Book 433, page 487, and the Declaration of Restrictive Covenants of Big Hill Acreage Homesteads Phase II Green Hollow Subdivision recorded in the office of the Register of Deeds for Transylvania County in Document Book 350, page 328, which establish, define and submit the property described therein to the covenants, conditions, reservations and restrictions set out therein, together with all subsequent lawful supplemental declarations and amendments to

said Declaration appearing of record in the office of the Register of Deeds for Transylvania County, North Carolina.

Development. “Development” (also sometimes hereinafter referred to as the “Property” or “Properties”) means and refers to the real property described in the Declaration together with any property which has been submitted to the terms of the Declaration by any amendments or supplemental declarations thereto appearing of record in the office of the Register of Deeds for Transylvania County, North Carolina.

Eligible Mortgage Holder. “Eligible Mortgage Holder” shall mean a holder, insurer, or guarantor of a first mortgage on a lot who has requested notice of certain matters from the Association as provided for in these Bylaws.

Lot. “Lot” means a portion of the Properties other than the common area intended for any type of independent ownership and use as may be set out in the Declaration and as may be described in the description set out in the deed for each portion of the Property which has been conveyed subject to the Declaration. In the event that any such portion of the Property is subsequently subdivided in a manner which is not in violation of the Declaration, each subdivided portion shall constitute a separate lot.

Majority. “Majority” means those eligible votes, owners, or other groups as the context may indicate totaling more than fifty percent (50%) of the total eligible number.

Member. “Member” means and refers to a person or entity entitled to membership in the Association, as provided in the Declaration and in these Bylaws.

Owner. “Owner” means and refers to one or more persons or entities, including the Declarant, who hold the record title to any lot which is part of the Properties, but excluding in all cases any

party holding an interest merely as security for the performance of an obligation. If a lot is sold under a recorded contract of sale, the purchaser (rather than the fee owner) will be considered the owner.

Person. Person means an individual, firm, corporation, partnership, association, trustee, or other legal entity.

Property. “Property” or “Properties” means and refers to the real property described in the Declaration or which has been submitted to the terms of the Declaration by any subsequent amendment or supplement declaration thereto appearing of record in the office of the Register of Deeds for Transylvania County, North Carolina.

III.

ASSOCIATION: MEETINGS, QUORUM, VOTING, AND PROXIES

Place of Meetings. Meetings of the Association shall be held in the principal office of the Association, or at such other suitable place convenient to the members.

Annual Meeting of Members. The annual meeting of the Members of the Association shall be held at an hour to be fixed by the President on the third Saturday in October of each year for the purpose of electing directors and for the transaction of such other business as may be brought before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day.

Special Meetings of Members. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a Majority of a quorum of the Board of Directors or upon the receipt by the Secretary of a petition signed by voting members representing at least ten percent (10%) of the total votes of the Association entitled to be cast on any issue proposed to be considered at the proposed special meeting demanding that such a meeting be held and describing the purpose or purposes for which it is to be held, and in the event that such a petition is received by the Secretary, the special meeting requested by such petition must be held within thirty (30) days after the Secretary’s receipt thereof.

Notice of Meeting. Not less than ten (10) or more than sixty (60) days in advance of any meeting, the Secretary shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each lot or to any other mailing address designated in writing by the lot owner, or sent by electronic means, including by electronic mail over the internet, to an electronic mailing address designated in writing by the lot owner. The notice of any meeting shall state the time and place of the meeting and items on the agenda, including the general nature of any proposed amendment to the Declaration or Bylaws, any budget changes, and any proposal to remove a director or officer.

In the case of a special meeting only those matters that are within the purpose or purposes described in the notice of meeting may be acted upon at such meeting.

Waiver of Notice. A member may waive any notice required by the Bylaws before or after the date and time stated in the notice. The notice shall be in writing, be signed by the member entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

A member's attendance at a meeting waives such member's objection to a lack of notice or defective notice of the meeting, unless the member at the beginning of the meeting objects to holding the meeting or conducting business at the meeting, and such member's attendance at a meeting also waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the member objects to considering the matter before it is voted upon.

Quorum. A quorum is present throughout any meeting of the Association if persons entitled to cast one-third (1/3) of the votes which may be cast for election of the Board of Directors are present in person or by proxy at the beginning of the meeting.

In the event that business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a Majority of those present in person or by proxy. The quorum requirement at the next meeting shall be one-half of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce a quorum by fifty percent (50%) from that required in the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

In the event of any adjournment of a meeting to a later date by the affirmative vote of a Majority of those present in person or by proxy as hereinabove provided for, the announcement of the person presiding over such meeting of the time and place of the recessed meeting shall be sufficient notice of the time and place of such meeting.

Organization. The President, or, in the President's absence, the Vice President, shall preside over all meetings of members and the Secretary of the Association shall act as Secretary at all meetings of the members; provided, however, in the Secretary's absence the President may appoint a Secretary for the meeting of the members.

Voting. As provided for in the Declaration, only one vote may be cast for each lot.

The vote of the owners of a Majority of the lots at a meeting of members at which a quorum is present shall be the act of the members on that matter, unless the vote of a greater number is required by law, or by the Articles of Incorporation or other provisions of the Bylaws of the Association. Cumulative voting shall not be allowed.

If only one of the multiple owners of a lot is present at a meeting of the Association, the

owner who is present is entitled to cast the vote allocated to that lot. If more than one of the multiple owners are present, the vote allocated to that lot may be cast only in accordance with the agreement of a Majority in interest of the multiple owners. Majority agreement is conclusively presumed if any one of the multiple owners casts the vote allocated to that lot without protest being made promptly to the person presiding over the meeting by any of the other owners of the lot.

No vote allocated to a lot owned by the Association may be cast.

Voting By Proxy. The vote allocated to a lot may be cast pursuant to a proxy duly executed by a lot owner. If a lot is owned by more than one person, each owner of the lot may vote or register protest to the casting of the vote allocated to such lot by the other owners of the lot through a duly executed proxy. A lot owner may not revoke a proxy given pursuant to this section except by actual notice of revocation to the person presiding over a meeting of the Association. A proxy is void if it is not dated. A proxy terminates eleven (11) months after its date, unless it specifies a shorter term.

IV.

BOARD OF DIRECTORS

Governing Body and Composition. The affairs of the Association shall be governed by a Board of Directors. Except as may be provided in Section 2 of this Article, the directors shall be members or spouses of such members; provided, however, no person and his or her spouse may serve on the Board at the same time.

Directors During Declarant Control. The Declarant has relinquished control and no longer has the power to appoint directors.

Number of Directors. The number of directors in the Association shall be not less than three (3) nor more than five (5), as the Board of Directors may from time to time determine by resolution.

Nomination of Directors. Nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the members to serve from the close of such annual meeting until the close of the next annual meeting, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine but in no event less than the number of vacancies or terms to be filled. Nominations shall be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

Election and Term of Office. The initial terms of the directors elected by the voting members at the first annual meeting shall be fixed at the time of their election as they among themselves shall determine. So long as there are three (3) directors, the term of one (1) director shall be fixed at one (1) year, the term of one (1) director shall be fixed at two (2) years, and the term of one (1) director shall be fixed at three (3) years. At the expiration of the initial term of office of each respective member of the Board of Directors, a successor shall be elected to serve for a term of three (3) years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association.

Removal of Directors. Directors may be removed for cause or for no cause by a vote of a Majority of the voting members present at a meeting called for that purpose. Any director whose removal is sought will be given notice prior to any meeting called for that purpose.

Vacancies. Vacancies in the Board of Directors caused by any reason shall be filled by a vote of the Majority of the remaining directors, even though less than a quorum, at any meeting of the Board. Each person so elected shall serve the unexpired portion of the vacated term.

Voting Procedure for Directors. The voting members may cast, in respect to each vacancy, the vote for the lot which they represent, as provided under the provisions of the Declaration. Votes shall be cast as provided in Section 5 above. The persons receiving the largest number of votes shall be elected.

Organization Meetings. The first meeting of the members of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a Majority of the directors, but at least one (1) such meeting shall be held during each fiscal year. Notice of the time and place of the meeting shall be communicated to the directors by one of the methods specified in Section 11, of this Article III, within the time period therein specified for each method of notification; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President, Vice President, or Secretary of the Association, or by any two (2) directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director by one of the following methods: (a) by personal delivery; (b) by written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's home who would reasonably be expected to communicate such notice promptly to the director; or (d) by electronic means, including by electronic mail over the internet, to an electronic mailing address designated in writing by the director. All such notices shall be given or sent to the director's address or telephone number as shown on the records of the Association.

Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or sent by electronic means shall be delivered, telephoned or sent at least seventy-two (72) hours before the time set for the meeting.

Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of the meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Quorum of Board of Directors. At all meetings of the Board of Directors, a Majority of the directors shall constitute a quorum for the transaction of business, and the votes of a Majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a Majority of the required quorum for that meeting. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Compensation. No director shall receive any compensation from the Association for acting as such unless approved by voting members representing a Majority vote of the total vote of the Association at a regular or special meeting of the Association.

Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and a record of all transactions and proceedings occurring at such meetings.

Open Meetings. All meetings of the Board shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless expressly so authorized by a Majority of a quorum of the Board.

Executive Session. The Board may, with approval of a Majority of a quorum, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all the directors. An

explanation of the action taken shall be mailed to each member by first class mail, postage paid within three (3) days after the written consents of all the Board members have been obtained.

Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all the powers and duties necessary for the administration of the Association's affairs, and, as provided by law, may do all acts and things as are not by the Declaration, Articles of Incorporation, or these Bylaws directed to be done and exercised exclusively by the members.

The Declarant has turned over to the Association the right of Declarant under the Declaration to act as or appoint the Architectural Control Committee for the Development. The Board may either act as the Architectural Control Committee or, by vote of a Majority of the Directors present at a meeting at which a quorum is present, appoint a separate Architectural Control Committee to consist of not less than three individuals.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the Managing Agent or Manager, if any, which might arise between meetings of the Board of Directors.

In addition to the duties imposed by the Declaration, or any amendments or supplemental declarations thereto, including deeds from the Developer to purchasers of lots and/or parcels in the Development, or by these Bylaws or by any resolution of the Association that may be hereafter adopted, the Board of Directors shall have the power to and be responsible for the following, in way of explanation, but not limitation:

(a) preparation and adoption of an annual budget in which there shall be established the contribution of each owner to the common expenses;

(b) making assessments to defray the common expenses and any special assessments for the costs of the operation and maintenance of private water systems serving a limited number of lots in the Development against the owners of such lots as specified in amendments and supplemental declarations including deeds from the Developer to the purchasers of such lots, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of the annual assessment; (unless otherwise determined by the Board of Directors, the annual assessment against the proportionate share of the common expenses shall be payable annually on or before January 1 of each calendar year). All common expenses shall be assessed against all lots in the Development in accordance with the allocations set forth in the Declaration and all past due common expense assessments or installments thereof shall bear interest at the rate of eighteen percent (18%) per annum. Assessments to pay a judgment against the Association may be made only against the lots in the Development at the time the judgment is entered, in proportion to their common expense liabilities, and any common expense caused by the negligence or misconduct of any lot owner or occupant, may be assessed exclusively against that lot owner or occupant's lot. Any fine imposed by the Board of Directors against the owner or occupant of a lot

pursuant to the provisions of Section 24 of this Article III of these Bylaws shall be an assessment which shall be assessed exclusively against such lot owner's or occupant's lot;

(c) providing for the operation, care, upkeep, and maintenance of all the common areas and facilities;

(d) designating, hiring, and dismissing the personnel necessary for the maintenance, operation, repair, and replacement of the Association, its property, and the area of common responsibility and, where appropriate, providing for the compensation of such personnel and for the purchase of equipment, supplies, and material to be used by such personnel in the performance of their duties;

(e) collecting the assessments, depositing the proceeds thereof in a bank depository which it shall approve, and using the proceeds to administer the Association;

(f) making and amending rules and regulations;

(g) opening of bank accounts on behalf of the Association and designating the signatories required;

(h) making or contracting for the making of repairs, additions, and improvements to or alterations of the common area, together with those areas upon each lot the maintenance, repair or replacement of which is the responsibility and/or right of the Association in accordance with the provisions of the Declaration and these Bylaws after damage or destruction by fire or other casualty, or the failure of the owner of a lot to maintain it in the manner required by the Declaration.

(i) enforcing by legal means the provisions of the Declaration, these Bylaws, and the rules and regulations adopted by it and bringing any proceedings which may be instituted on behalf of or against the owners concerning the Association;

(j) obtaining and carrying such insurance against casualties and liabilities, as may be provided for in the Declaration, and such other insurance coverage as the Board of Directors shall deem to be appropriate, including such coverage as shall be required to satisfy the requirements of Section 47F-3-113 of the North Carolina General Statutes, and reasonable liability coverage for the officers, Board of Directors, employees and agents of the Association, and paying the premium cost thereof;

(k) paying the cost of all services rendered to the Association or its members and not chargeable to owners;

(l) keeping books with detailed accounts of the receipts and expenditures affecting the Association and its administration specifying the maintenance and repair expenses and any other expenses incurred. The said books and vouchers accrediting the

entries thereupon shall be available for examination by the owners and mortgagees, their duly authorized agents, accountants, or attorneys, during general business hours on working days at the time and in a manner that shall be set and announced by the Board of Directors for the general knowledge of the owners. All books and records shall be kept in accordance with generally accepted accounting practices;

(m) make available to any prospective purchaser of a lot, any owner of a lot, any first mortgagee, and the holders, insurers, and guarantors of a first mortgage on any lot current copies of the Declaration, the Articles of Incorporation, the Bylaws, rules governing the lot, and all other books, records, and financial statements of the Association;

(n) upon written request, furnish to a lot owner or the lot owner's authorized agents a statement setting forth the amount of unpaid assessments and other charges against the lot owner's lot. The statement shall be furnished within ten (10) business days after the receipt of the request and shall be binding on the Association, the Board of Directors and every lot owner;

(o) permit utility suppliers to use portions of the common area reasonably necessary to the ongoing development or operation of the Development;

(p) obtaining, in addition to the insurance coverage provided for under the provisions of Subsection (j) of this Section 19 of Article III of these Bylaws, as a common expense, a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds. The amount of fidelity coverage shall be determined in the directors' best business judgment, but may not be less than one (1) year's assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association.

Budget. Within thirty (30) days after the preparation of an annual budget pursuant to the provisions of Subsection (a) of Section 19 of Article III of these Bylaws, the Board of Directors shall provide to all of the lot owners a summary of the budget and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum. The Board of Directors shall set a date for a meeting of the lot owners to consider ratification of the budget, with such meeting to be held not less than ten (10) nor more than sixty (60) days after the transmittal of the summary and notice. There shall be no requirement that a quorum be present at the meeting. The budget is ratified unless at that meeting a Majority of all the lot owners in the Association or any larger vote which may be specified in the Declaration rejects the budget. In the event that the proposed budget is rejected, the periodic budget last ratified by the lot owner shall be continued until such time as the lot owners ratify a subsequent budget proposed by the Board of Directors.

2. **Management Agent.**

(a) The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board of Directors to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all the powers granted to the Board of Directors by these Bylaws, other than the powers set forth in subparagraphs (a), (b), (f), (g) and (i) of Section 19 of this Article.

(b) No management contract may have a term in excess of three (3) years and must permit termination by either party without cause and without termination fee on ninety (90) days or less written notice.

3. **Borrowing.**

(a) The Board of Directors shall have the power to borrow money for the purpose of repair or restoration of the common area and facilities without the approval of the voting members of the Association; provided, that the proposed borrowing is for the purpose of modifying, improving, or adding amenities, and the total amount of such borrowing does not exceed five (5%) per cent of the budgeted gross expenses of the Association for that fiscal year;

(b) Portions of the common areas and facilities may be subjected to a security interest by the Association in order to secure a loan if persons entitled to cast at least eighty percent (80%) of the votes of the Association agree in writing to that action.

Rights of the Association. With respect to the common area or other Association responsibilities owned, and in accordance with the Articles of Incorporation and Bylaws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or neighborhood and other associations of home owners or residents, both within and without the Development. Such agreements shall require the consent of two-thirds (2/3) of the total votes of all Directors of the Association.

Hearing Procedure. The Board shall have the power to impose reasonable fines, which shall be assessments secured by liens under Section 47F-3-116 of the North Carolina General Statutes and shall constitute a lien upon the property of the violating owner, and to suspend an owner's right to vote or to use the common elements for violation of any duty imposed under the Declaration, these Bylaws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a lot. In the event that any occupant of a lot violates the Declaration, Bylaws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by

the Board, the owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, Bylaws, or any rule or regulation shall not be deemed a waiver of the right of Board to do so thereafter.

If it is decided that a fine shall be imposed, a fine not to exceed One Hundred Dollars (\$100.00) may be imposed for the violation and, without further hearing, for each day that such violation occurs after the date that the Board has made its decision that the violation has occurred and that a fine or other sanction should be imposed. If it is decided that suspension of privileges or services in the Development should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured.

(c) Notice. Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(d) Hearing. If a hearing is requested in a timely manner, the hearing shall be held in executive session affording the owner a reasonable opportunity to be heard and to present evidence. Prior to the effectiveness of any sanction hereunder, proof of notice shall be placed in minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The decision of the Board of Directors after the hearing shall be final.

(e) Additional Enforcement Rights. Notwithstanding anything to the contrary contained in the Declaration or Bylaws, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these Bylaws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity for compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the owner or occupant responsible for the violation for which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

Prohibited Acts. The Board of Directors shall not take any of the following actions except with the written consent of a Majority, or such greater percentage as may be hereinafter specified, of the total votes of the Association:

(f) incurring aggregate expenditures for capital improvements to the common area in any fiscal year in excess of five per cent (5%) of the budgeted gross expenses of the Association for that fiscal year (must secure the approval of at least eighty percent (80%) of the total votes of the Association);

(g) selling during any fiscal year property of the Association having an aggregate fair market value greater than five per cent (5%) of the budgeted gross expenses of the Association for that fiscal year, or any portion of the common areas (must secure the approval of at least eighty percent (80%) of the total votes of the Association in order to sell any portion of the common areas);

(h) paying compensation to members of the Board or to the officers of the Association for services performed in the conduct of the Association's business; provided, however, the Board may cause a member or officer to be reimbursed for expenses incurred in carrying on the business of the Association;
