- 6. **FUTURE DEVELOPMENT:** Buyer acknowledges awareness of the possibility of construction and possible effects associated with future development, including both new construction and renovation activity. Such development may result in increased pedestrian and vehicular traffic, noise, dust, dangers, annoyances, impacts on view corridors and similar effects, both expected and unexpected, and may disturb or disrupt Buyer's use and enjoyment of the Property. Buyer is encouraged to contact the planning department of the jurisdiction where the Property is located to inquire into any proposed development that might affect Buyer's interest in the Property. Buyer should also investigate contemplated development projects that are not yet in the application process by researching local media, including print newspapers, television and web-based publications.
- 7. **STEEP SLOPE:** Buyer acknowledges that local municipalities regulate the building and subdivision of steep slopes in Western North Carolina. Regulations include limits to grading, disturbances, and requirements for geotechnical engineer reports, amount of impervious surface that can be created, density limits, and subdivision restrictions. Buyer is advised to check with the planning department of the governmental jurisdiction in which the property is located to see of the property is restricted by steep slope regulations.
- 8. **REGISTERED ENVIRONMENTAL SITE:** The Property may be bordered by or located near a site that is recognized as having environmental contamination or concerns, or is subject to investigation, administrative action, or remedial measures taken by the Environmental Protection Agency (EPA), the North Carolina Department of Environmental Quality (NC DEQ), or other governmental agencies. It is Buyer's sole responsibility to investigate to its satisfaction any and all concerns it may have regarding this issue. Brokers associated with this transaction make no representation as to the characteristics and conditions of the property, any improvements to the property, or with respect to any active or inactive investigations, any action by the EPA, NC DEQ, or any other governmental agency.

Possible sources of information concerning registered environmental sites are the following:

- a. EPA Superfund Sites: <https://www.epa.gov/superfund/search-superfund-sites-where-you-live>
